

BLANKET CERTIFICATION FOR CIVIL AIRCRAFT PARTS

I, \_\_\_\_\_ of \_\_\_\_\_ located at  
\_\_\_\_\_ importing under IRS# \_\_\_\_\_

hereby certify that the use by me or my authorized agent on any entry summary, or other entry documentation of HTS item numbers for civil aircraft parts, the item number description of which requires certification for use in civil aircraft, means that the articles identified on the entry summary or entry documentation are imported for use in civil aircraft within the meaning of Section XVII, Chapter 88, HTS and Section 10.183, Customs regulations (19 USC 10.183), that the articles have been approved for such use by the Administrator of the Federal Aviation Administration (FAA) or by the airworthiness authority in the country of exportation, if such approval is recognized by the FAA as an acceptable substitute for FAA certification, or that an application for approval for such use has been submitted to, and accepted by, the Administrator of the FAA.

I agree (1) that the documentation will be maintained to support the above certification, and (2) to inform the District Director of any changes which would affect the validity of this certification.

I understand that this certification will be valid for a period of one year from the date the approval by the District Director and will cover entries made only in the District where filed.
